«Formula of Unity» / «The Third Millennium» Olympiad Mathematics; 2018 — 2019

La Sociedad Andaluza de Educación Matemática Thales - Proyecto Estalmat Andalucía - en colaboración con el Instituto de Matemáticas de la Universidad de Sevilla y la Fundación Euler de San Petersburgo invita al alumnado a participar en la VI **International Mathematical Olympiad** “**Formula de Unity**”

- La olimpiada está dirigida a los escolares de **5ºGRADO/11años/6PRIMARIA** a **11ºGRADO/17 años /2Bach**
- La **segunda fase (presencial)** se llevará a cabo simultáneamente en muchas ciudades de Rusia y en otros países. Nuestras sedes serán en Andalucía serán **Sevilla y Granada**. Además contamos con la colaboración de otras sedes en España, que se adjunta.
- La fecha prevista será **23 de Febrero de 2019 a 10:00**
- La prueba consiste en la resolución de ejercicios que deberemos enviar a SP para su corrección.

Para cualquier duda podéis escribir a la dirección de correo electrónico fdi.olympiad.es@gmail.com

Preliminary results of the qualifying round December 29, 2018

More than 3000 students from 24 countries took part in the qualifying round. A solution of each problem was scored out of 7 points. In the below table the results for each grade are presented on a separate sheet. The participants are sorted by country and name.

Results of the qualifying round (updated on Jan 07, 23:30 Moscow time)

The result «-1» denotes disqualification because of cooperation between participants or signs of plagiarism. The participants who reached the threshold score from the below table will be invited to the final round to be held on **February 24** or on an adjacent date. All necessary information will be sent by email.

Grade:	R5	R6	R7	R8	R9	R10	R11
Score:	18	18	15	20	20	20	20

Some results can be missing if the jury has not received the submissions for technical reasons. If your result is missing, please inform the Organizing committee (olimp@formulo.org) as soon as possible and anyway before January 15. Please indicate your name, grade, country and city and describe how you have submitted your work. We also ask everybody to inform us on incorrect or incomplete data.
