

## III INTERNATIONAL SUMMER SCHOOL OF MATHEMATICS

Dear III EIVM students and participants.

Congratulations for having been chosen as participants in this III International Mathematics Summer School. You have our best wishes, both for having a great time with your friends at the Campus and for your mathematics and scientific training, which is the main goal of this School.

Let me give you some directions. Please read carefully:

- 1- Bring a cap (or similar). Seville is usually a very hot place, so it is advisable to protect your head when walking around.
- 2- Do not forget your passport or your Spanish identity card (DNI). You will be asked for it at dorm's reception.
- 3- Bring a bathing suit and a towel. At the dorm you will be given towels, but they will be just for internal use, you are not allowed to bring it to the swimming pool.
- 4- Bring sport shoes and clothing.
- 5- Following your Catalunya partner's proposal, we would like to suggest that each one of you bring a present for another mate. The money value of this present should not be above 6 euros.
- 6- Do not forget to bring some pocket money for your own small expenses. 20-30 euros a day should be enough. Remember that all the meals will be provided, including afternoon snacks.

### **Office supplies:**

Pens, pencils and note pads will be provided as needed.

### **Arrival and departure dates.**

#### **Arrival:**

You must be at Hernando Colón's dorm by Tuesday 1<sup>st</sup> July, from 10:00 am and, if possible, no later than 13:30. If you can't be there before 13:30, please let us know in advance so that we can rearrange the lunch.

#### **Departure:**

You must leave the dorm no later than July 16<sup>th</sup> after breakfast. Please let the monitors know your departure date as soon as you arrive.

Pay attention to the Estalmat-Andalucía web page (<http://thales.cica.es/estalmat>), this is where we will be providing further information if needed.

Finally, here you have the dorm's address and contact data. Remember that the dorm is placed in Reina Mercedes Campus, just close to the Faculty of Mathematics:

Colegio Mayor Hernando Colón  
C/ Sor Gregoria de Santa Teresa, s/n,
